

# Overzicht van de moderne zilver- en goud keurmerken van landen in de Europese Unie.

Deze keurmerken worden in alle landen van de EU erkend. Met andere woorden: een zilveren voorwerp met een keurmerk uit deze lijst mag in Nederland als “Zilver” worden verkocht zonder dat daarvoor herkeur met een Nederlands keurmerk noodzakelijk is.

Vanwege de Brexit zullen na 31 oktober 2019 de Engelse keurmerken niet meer in de overige EU-landen worden erkend en zullen dus alle goud- en zilverwerken die uitsluitend zijn voorzien van Engelse keurmerken (ook die voor 31 oktober legaal in de winkels als Goud of Zilver konden worden verkocht) moeten worden herkeurd.
